### TWO WAYS TO MEASURE:

#### 1. MEASURE GEAR THAT FITS YOUR PLAYER WELL & CONVERT TO OUR CHART:

**Chest:** Take a similar hoodie that fits well and measure across the width just under the armhole.

**Length:** Measure from the the top of the shoulders to the bottom of the hoodie you are measuring.

Compare your measurements to our size chart to find the size you need.

#### 2. MEASURE THE PLAYER:

**Chest:** On the front of top, measure from the highest rise (generally from under one armpit to the other).

**Length:** Measure from the top of the shoulders down to where you want the top to fall.

If you want a tighter fit, simply add less additional space to your chest measurement.

Again, if both measurements point to 2 different sizes on the chart...go with the bigger size!
